

INDEX TO VOL. IV.....1856.

(THIRD SERIES.)

[EXPLANATION.—It will be seen that we have adopted a new plan in making out the Index for this volume. We have divided it into *Five Departments*—I. THE FARM—II. DOMESTIC ANIMALS—III. THE DAIRY—IV. DOMESTIC ECONOMY—V. HORTICULTURAL. This will facilitate reference, as one can at once refer to the department desired, without the necessity of looking over the whole index.]
